

Faculty of Economics

**MARMARA UNIVERSITY
FACULTY OF ECONOMICS
DEPARTMENT OF PUBLIC
FINANCE**

The Public Finance Department continues education activities within the Faculty of Economics in Maltepe Campus.

The curriculum of the undergraduate program consists of courses within the scope of four branches: Theory of Public Finance, Fiscal Economics, Fiscal Law and Budget and Fiscal Planning. The curriculum also covers courses from different disciplines such as economics, business management and law, together with their main courses, which allow our students to further advance their knowledge.

Graduates of the Public Finance Department find employment

especially in administrative units of governmental institutions and audit and inspection boards. Besides, they can not only serve in the private (mostly in accounting and finance departments) sector, but also can be self-employed as an independent accountants or financial advisors.
